COMMUNITY NEWS AND INFORMATION

HOW TO AVOID SCAM (Skilled Con And Misdirection)

There are a lot of scams out there. Here are a few things you can do to protect yourself and your computer.

- Never give out your personal information. There are dozens of companies calling you about Medicare. Don't entertain them. There are real people who can help you make the best choices for your Medicare plan.
- The IRS will never email you for additional information.
- If you're on your computer, you get a WARNING, and YOUR COMPUTER HAS BEEN LOCKED, don't panic. Hit the Ctrl + Alt + Del keys. This will open Task Manager. Click End Task, and that will close your browser. DO NOT call the phone number they give you.

More tips next month.

Stay Safe,

Sue Weisgerber, Residents' Committee Member

NOTES FROM MARILYN: April 2024

1. Spring is here! Please remember that the only lawn decorations that are permitted must be placed in your backyard or on your porch. No decorations are allowed in the front or side yards, or front and side flowerbeds. (Rule C, #5, #5)
2. No landscapers are permitted to use the yard waste dumpster. This is for residents only. If you hire someone to do work in your yard, they must take your yard waste with them. They may not put it in our dumpster. Please remember, we now have cameras at the dumpster and can see what is happening.
3. If you are making changes to the outside of your home (shutters, doors, windows, roof), your yard, or landscaping around your home, you must get permission from Hometown America to do so. You can email me for a form, or you can pick up a form in the Activity Room. The form must be completed and approved before you have the work done. (Rule C, # 1)
4. If you see a streetlight that is not working or is blinking, please report it to the office so it can get repaired.

Joy has SOLD 60+ Homes in Hometown Arbor Gate

MY STORY I have spent the past 20+ years listing and selling real estate in Lebanon County. In recent years I have focused on working with buyers and sellers in Lebanon Counties beautiful 55+ communities. But it wasn't until my own parents built a home in one of these communities in 2019 that my eyes were open to the full beauty of these 55+ communities! They have loved the simplicity of their new home, but more than that they have developed deep rooted friendship with the neighbors all around them. Mom sings in the choir, dad golfs with the neighbor men, they walk countless miles each week around their neighborhood, & they enjoy hosting dinners and potlucks. As their daughter, I have had a front row seat witnessing how their 55+ community has truly changed their lives. This year they celebrate their 50th wedding anniversary! I have great comfort knowing they are living their best life surrounded by many friends. **This is why I love selling in Lebanon Counties 55+ Communities.** I want more people to have the opportunity to experience the same life my parents are experiencing. Please call me anytime, and request a FREE Comparative Market Analysis. Put my many years of experience to work for you! When we meet, I will provide you with a copy of my SERVICES & MARKETING booklet, and will share the marketing services I offer that set me apart from the average Realtor. Lets chat!
