Joy has SOLD 60+ Homes in Hometown Arbor Gate

MY STORY I have spent the past 20+ years listing and selling real estate in Lebanon County. In recent years I have focused on working with buyers and sellers in Lebanon Counties beautiful 55+ communities. But it wasn't until my own parents build a home in one of these communities in 2019 that my eyes were open to the full beauty of these 55+ communities! They have loved the simplicity of their new home, but more than that they have developed deep rooted friendship with the neighbors all around them. Mom sings in the choir, dad golfs with the neighbor men, they walk countless miles each week around their neighborhood, & they enjoy hosting dinners and potlucks. As their daughter, I have had a front row seat witnessing how their 55+ community has truly changed their lives. This year they celebrate their 50th wedding anniversary! I have great comfort knowing they are living their best life surrounded by many friends. **This is why I love selling in Lebanon Counties 55+ Communities.** I want more people to have the opportunity to experience the same life my parents are experiencing. Please call me anytime, and request a FREE Comparative Market Analysis. Put my many years of experience to work for you! When we meet, I will provide you with a copy of my SERVICES & MARKETING booklet, and will share the marketing services I offer that set me apart from the average Realtor. Lets chat!
