We need your help!

The AARP/IRS Tax-Aide program in Lebanon County is in immediate need of someone with organizational and management skill. The District Coordinator for the program must step down due to family obligations, leaving the Lebanon County group without a leader. No tax preparation skills are required, only the ability to run an existing organization.

Presently there is an experienced staff of volunteers including 13 tax preparers. Some of these individuals are now or have been in supervisory positions, and all are ready to help. What's missing is the District leader. Responsibilities include: working with the local tax site coordinators to assign client facilitators and preparers; set up and coordinate schedules at the tax preparation sites; organize Client Schedulers to schedule appointments; work with the local coordinators to assure all necessary supplies are ordered; coordinate with AARP Regional Coordinator to assure all the latest program updates, literature etc are available to the local team. The present District Coordinator is available and eager to assist a new leader in assuming these duties.

This program is important to all of Lebanon County, including Arbor Gate (60 taxpayers served here last year). The Tax-Aide program sponsored three sites last year, Lebanon, Myerstown and Jonestown, plus a self sustaining site in Hershey. We also ran special sessions at three senior communities, Arbor Gate, Stoneridge and Cornwall Manor. Approximately 800 tax returns including Federal, State, local and where appropriate PA Property Tax rebates were filed for Lebanon County residents this tax year at no cost to the taxpayers. This service saved the seniors thousands of dollars in tax preparation fees.

There are a lot of people counting on our continued operation. Please consider helping. It is a very rewarding experience to help our neighbors.

Any questions, thoughts or suggestions call Jack Monahan 717-866-7508, Bob Devers 717-866-5201 or Wayne McIntyre 610-505-8090.

Notes from Marilyn:

1. I am working on the 4 sided inspections. If I am not in the office, I am out on the property. If you have I will get back to you as soon as I am back in the office. (Office 717-866-9363), (Cell 717-454-9557)
2. If you are having a contractor doing work inside your home or outside your home, please have them put cones at the back of their vehicles. If they do not have cones, contact the office. Please try to make sure if there are more than one contractor on a street, that they all park on one side of the street so cars can get thru the street safely.
3. Please remember, all yard decorations must be in your back yard. Not your side yards or hiding in your front flower beds. As cut as bunnies, turtles, etc. are, they go in the back. The only ones allowed in the front are flower planters.
4. When mowing your grass or having a contractor mow your grass, do not blow the grass from the sidewalk/driveway into the street. The reason weeds, plants and grass grow against the curb is from everything blown into the street.
5. I do not allow solicitors in the community. If someone says I allowed them on the property, I did not. Kick them out of the community. I do not allow political people either.
6. Finally, do not put trash in the yard waste dumpster. Butch had to fish some trash out and I do not like hearing him being frustrated every time he has to do it.

WARNING!! CAMERAS ARE GOING UP AT THE GATE AND AT THE SHOP.
