NOTES FROM MARILYN:

1. I will be starting the 4-Sided inspections in the next few weeks. If I am not in the office, I am out in the property. Please leave messages, and I will get back to you if you need something.
2. If you are having a contractor doing work inside your home or outside your home, please have them put cones at the back of their vehicle. We are making all contractor's do this as a safety precaution.
3. Please remember, all yard decorations must be in your back yard.
4. Spring/Summer is upon us. Please remember the speed limit is 25. I have been noticing speeders, you know who you are-SLOW DOWN!
5. Last, but not least. If you communicate with Butch on a project or need something done, and you do not communicate with me, do not yell at me when he forgets something. You should communicate with me so I can make sure it does not get forgotten. Remember, there are 376 homes and only one Butch.
